How to: Update My Info

Send Us a Message

Upload a File

Update My Info

Request a Call

Edit your contact information

From the homepage, click the **Update My Info** button, and you will be directed to the My Info page.

Click **Edit** and a window will pop up.

Locate the field(s) you need to change, make the change, then click **Save**.

You can also access the My Info page and edit your contact information by clicking **My Info** from the top left menu of the homepage.
